JEWELLERY CARE INSTRUCTIONS

To preserve the beauty and shine of your jewellery:

- Store jewellery separately in a soft pouch or jewellery box.
- Avoid contact with perfumes, cosmetics, hairspray, chlorine, detergents, and harsh chemicals.
- Remove jewellery before swimming, exercising, or heavy household work.
- Clean periodically using a soft lint-free cloth.
- Visit our store for professional cleaning and inspection.

LIMITED LIFETIME WARRANTY

We stand behind the craftsmanship of our jewellery. This product is covered against manufacturing defects under normal usage. If a manufacturing defect is found, our experts will inspect and, where applicable, repair or replace the product as per our warranty policy. The original purchase invoice and this Certificate of Authenticity may be required to avail warranty services.

TERMS & CONDITIONS

- This certificate is valid only with the original purchase invoice.*
- BIS Hallmark certifies the purity of the gold used in the jewellery.*
- Product weight may vary slightly due to manufacturing tolerances.*
- Natural gemstones may exhibit slight variations in colour, texture, or inclusions.*
- Damage caused due to misuse, accidental impact, alteration, or improper handling is not covered under warranty.*
- Exchange, repair, and buyback are subject to the company's prevailing policies.*
- This certificate is non-transferable.*

DECLARATION

We hereby certify that this jewellery has been manufactured using genuine precious metals and has passed all prescribed quality inspections. The purity mentioned in this certificate corresponds to the BIS Hallmark stamped on the jewellery.

Thank you for choosing our craftsmanship.
